## CORT &amp; MOVE FOR HUNGER

Since 2018, CORT and Move For Hunger have worked together to mobilize the relocation industry to reduce food waste and fight hunger by collecting unopened, non-perishable food items from multifamily housing residents and delivering the donated food to local food pantries.

**ABOUT MOVE FOR HUNGER**

Move For Hunger is a national non-profit organization that has created a sustainable way to reduce food waste and fight hunger. We have mobilized the leaders of moving, relocation, and multi-family industries to provide their customers, clients, and residents with the opportunity to donate their food when they move. Members of Move For Hunger also organize community food drives, participate in awareness campaigns, and create employee engagement programs. For more information, or to find out how you can host your own food drive, visit [MoveForHunger.org](https://MoveForHunger.org).
